Without Jim & Cindy, we would not have been able to enjoy all the places that we have been! If we had driven to all these places by car, we wouldn't have known what we were seeing. Thank you greatly for the enjoyment we have received!

As our first extended trip with Jim & Cindy, we didn't know what to expect. We were pleasantly surprised with J&C's attention to detail, schedule, customer comfort and selection of hotels. Their humor in the bus just made the long miles melt away.

Custer's Battlefield tour was very meaningful to me as a "history buff". To actually stand on the spot where Custer and his men died is a moving experience I'll never forget!

Your accommodations all throughout the tour are to be commended. Always up front in letting the tour group know what's going on. We have toured the states many times & your tour is right on top. I must also say the driver was very friendly & sociable.

Great & fantastic trip - looking forward to Fall Foliage. I am impressed with Jim & Cindy's Tours and everything is as great as I was told - one happy family - makes the vacation. Great bus driver. Tour doesn't even compare to competitors who are like stuffed shirts.
